## LAND O' LAKES FOUNDATION AWARDS GRANT TO MEALS ON WHEELS OF CENTRAL MARYLAND

Baltimore, MD – **The Land O' Lakes Foundation's Mid-Atlantic Grants Program** has awarded **Meals on Wheels of Central Maryland** a \$5,000 grant to support the nonprofit organization's home-delivered meals program in the central Maryland region. Between July 1, 2009 and June 30, 2010, the program delivered 743,034 meals to 2,964 homebound county residents.

The Land O' Lakes Mid-Atlantic Grants Program is a grassroots program developed specifically for Land O' Lakes dairy communities in the states of Maryland, New Jersey, New York, Pennsylvania, and Virginia. The program works to improve quality of life by supporting valuable projects and charitable endeavors initiated by the company's Mid-Atlantic dairy-member leaders.

**Mr. James A. Stonesifer**, proprietor of Tomorrow's Promise, Inc., a dairy in Union Bridge, Maryland, will present Meals on Wheels with a check from the Foundation on January 10.

"It was very gratifying to learn that the Land O' Lakes Foundation felt strongly about our charitable mission and made the decision to award us this grant," said Meals on Wheels Executive Director **A. Thomas Grazio, LCSWC**. "Their support will enable us to continue to serve all those who need our service, particularly in these distressed economic times."
