Ms. Rosa Jones/Intern

February 1, 2019

Hello Mrs. Archer-Smith,

Thank you for granting me the opportunity to do “Community Rotations” at MOWCM. During my internship, I have experienced excellent support, and team work. I have only positive good memories from all of my interactions, whether it was with a client or an employee. In my opinion the culture at MOWCM is one of the best that I’ve ever seen; I’m so honored and grateful to have been given an opportunity to complete the Community Rotation for my internship at Meals on Wheels of Central Maryland. Thanks to you Mrs. Archer-Smith and to everyone who supported me in reaching my goal of completing the internship requirements, I’m very grateful to each and every one of you.

Kind Regards,

Rosa Jones
